

# WEST VIRGINIA WINS EASY VICTORY OVER GONZAGA ELEVEN AT SAN DIEGO

Stadium, San Diego, Calif., Dec. 25.—The east proved superior to the west in football today when the West Virginia team of Morgantown, W. Va., triumphed over the Gonzaga eleven of Spokane, Wash., 21 to 13, in San Diego's annual intersectional gridiron contest.

Both elevens resorted frequently to forward passes.

Three long runs thrilled the spectators. Captain Meredith of West Virginia intercepted a forward pass and ran 80 yards in the second period to a touchdown. In the last half Matt Dwyer, an 18-year-old freshman who had substituted for Right Halfback Garrity of Gonzaga completed two runs of more than fifty yards. Both of Dwyer's runs started the Bull Dogs on the way to the touchdowns.

Only enough straight football was used to keep the other team from setting their defense to combat the aerial attack.

West Virginia started the scoring in the first period. With the ball in mid-field, Narducci, right halfback, passed thirty yards through to Simon.

The Gonzaga line could not repulse the Mountaineer attack and the ball was further advanced until from the 12-yard line Narducci slipped through right tackle for a touchdown. Ekberg, quarterback, added a point with a place kick.

The second period was filled with thrills. Each team tried forward passes on almost every other play. Many were for gains of twenty to thirty yards, but neither team could get the ball over the other's line until Gonzaga had carried the ball to the Mountaineer 25-yard line when Captain Meredith of the West Virginians intercepted a Gonzaga pass and ran through a clear field for the second touchdown. Ekberg again added the extra point.

The last Mountaineer score came in the third period when a 15-yard forward pass, Narducci to Simon, placed the ball over the goal line. Ekberg kicked the goal.

Both Gonzaga touchdowns came in the last period. Stockton of Gonzaga sent a short pass to Brown who ran 55 yards through a broken Mountaineer team for a touchdown. Then a series of passes averaging 10 to 20 yards carried the ball to the two-point line and Brown made his second touchdown by slipping through center. Stockton kicked the goal.

The concrete stands, which seat almost 35,000 persons, were about one-third filled.

FOOTBALL COACHES ON WAY TO MEETING IN NEW YORK  
Columbus, O., Dec. 25.—Football coaches of the country particularly those east of the Mississippi, were headed toward New York tonight for the annual midwinter meeting of the American Football Coaches' association and of the National Collegiate Athletic association.

The meetings will be held Wednesday at the Hotel Astor, and according to Dr. J. W. Wiley, director of football at Ohio State University and secretary of the American Football Coaches' association, discussion among the coaches will focus on practical football problems and rules.

Dr. Wiley announced that chief among the speakers at Wednesday's sessions will be Dr. J. B. McCurdy, of Springfield, Mass., secretary of the American physical education association; Fielding H. Yost, of Michigan; Howard Jones, of Yale and Iowa; Major C. D. Daly of West Point and W. W.

The objects of the association, Dr. Wiley said, are "to help maintain the highest possible standards in football, to discuss various phases of the game, to submit to proper organizations suggestions for the improvement of football and to place at the disposal of coaches scores of football information."

"I have always refused. He is a very busy man and feels that he is not giving the baseball club the attention it deserves, and believes that time and trouble might be saved if I took the presidency."

"I may," he added, "if I do, of course, I will give up the managing part of the game—and that is what is going to hurt the most. I have been active in baseball for thirty years and it isn't going to be an easy thing to give up that active connection."

# BATTERY B FIVE TAKES CHRISTMAS GAME FROM HIGGINS' ALL STARS

In a hotly contested game at the state armory Christmas afternoon the Battery B five won from Higgins' All Stars of Williamsville by the score of 38 to 28.

The crowd was small owing to a misleading statement of prices being 55 cents instead of 50 cents. But what the crowd lacked in numbers they made up with noise as they proved an enthusiastic gathering and they rooted strong for the home team.

The Battery opened with six baskets in short order but the All Stars soon caught up with them by some clever passing and shooting. The first half ending 14 to 12 in favor of the Battery five.

The second half was even faster than the first and had the crowd on their feet as there was some fast and clever work. Chick Stanley refereed the game.

THREADMAKERS WIN FROM WATERBURY COLLEGIANS (Special to The Bulletin.)  
Williamsville, Dec. 25.—Before a goodly number of fans the local Threadmakers defeated the Waterbury All-Collegians at the Pleasant street armory on Monday night by the score of 34 to 27 in an interesting and well played game of basketball. Professional rules which met the approval of the spectators, governed the contest. Referee Downer who called a total of 11 fouls had the game well in hand throughout. The locals at the very outset staged on a rampage and registered four goals from the floor before the speedy Dumschott caged a pretty doubleheader from one center of the court.

The first period ended with count 23 to 13 in favor of the Thread team. The Thread City hoopers maintained a lead in the second half, although it was decreased to as low as seven points at one stage of the play. Leo Normandin's play featured for the home team and Carroll and Dumschott were the

Bob Martin, A. E. F. heavyweight champion, has recovered from his recent illness and has started light training. He anticipates getting back into action early in the new year.

# POETRY

MY FRIEND.  
He never wounds by hasty word  
Or pointed criticism.  
Or questioning my good intent.  
Or by cool criticism:  
Unfailing ever in his love,  
Supreme his pure devotion.  
He never wears me with talk,  
Yet every act and motion  
Gives utterance to his faithfulness  
And sympathy unmeasured.  
Who is this wonderful one, you ask?  
My dog, old friend, much treasured.

Were I reduced to penury  
Or in disgrace, forsaken,  
I might discover—though heaven forbid!  
That friendship wings had taken;  
But he would starve with me or freeze.  
I'm not so sure of others:  
No more unselfish love I've known.  
Except perhaps my mother's:  
And though he's just a common dog,  
He's all my own, and surely  
Few hearts have ever loved me more  
Devotedly and purely.

# YOUTH.

There is no time like youth! I would  
Be young  
And, in the sun-ree glow of life, have  
view  
Of distant, gold-tipped hills, where songs  
unworn  
And valiant deeds unwrought may still  
be true!

I would be young! For, in God's scheme  
of life,  
Youth is eternal. Age, a thing that lies  
in man's own actions. Bitterness and  
strife,  
Are harbingers of all that really dies.

I would be young! For, in the heart of  
youth,  
Thoughts nearest God's impulse each puls-  
ing beat;  
And its high hopes rise gladly up to  
Truth  
With strength that knows no failure, no  
defeat.

I would be young! And, in Life's morn-  
ing,  
Shadow of night go out before the  
dawn.  
Youth is the emblem of Eternity!  
The great fair landscape when the mist  
have gone!
